

Corinthian Island Masterpiece

A BELVEDERE ICON

Rounding the corner by boat into Belvedere Cove from San Francisco Bay, passing the Corinthian Yacht Club, you are thrilled by the scenic resemblance to the Italian Riviera. This stunning twin-turreted, four-story, 5000 sq. ft. Mediterranean style home elegantly stands above its deep water dock and boat house with breathtaking views of San Francisco, its Bay, Belvedere Island and Mt. Tamalpais. This unique home with 1300 sq. ft. of deck space is one of only 14 waterfront properties with a western exposure for all day sunshine and wondrous light. Take a short walk to Tiburon's ferries that run to San Francisco, Sausalito, and Angel Island or stroll to two world-class yacht clubs, the Corinthian Yacht Club and the San Francisco Yacht Club. The California Distinguished Reed School is just a km away. Location is everything and this is an ultimate once-in-a-lifetime opportunity! www.85Bellevue.com \$8,000,000
