

Custom Luxury Home

LOS ALTOS, CALIFORNIA

R.J. Dailey Construction, the Peninsula's premier builder of custom luxury homes, has created an exceptional residence on 1 acre of private, park-like grounds that is moments away from Los Altos Village. The home embodies classic details that weave together all-natural materials including expanses of stone & Honduran mahogany. The graceful 3-level floorplan of 12,160± sf features soaring ceilings & curved windows & glass sliding doors, custom-made by industry-leader Zeluck of New York. Also includes a techno-forward home theatre, pub-style bar, wine cave, & exercise salon. Whole-home automation with radiant heating, scene-programmable lighting, distributed audio, & computer connectivity. In addition, there is a 1-bedroom guest apartment with a private terrace, pool & spa, 4-car garage, well for irrigation, & 20kw generator for auxiliary power. In cooperation with listing agents Mary Gullixson & Judy Bogard-Tanigami, Alain Pinel Realtors. \$19,900,000
